## Per Company

- *We were established in year 2000 and since then we have escalated consistently. We set out our achievements in customer service delivering first class building service at all times.*
- *We have received at standstill in turnaround TA2007 MiRO 400 office-container to the complete satisfaction of our customers clean and pure. At standstill, TA 2010, we were able to extend this service to 600 office-containers.*
- *In 2010, we were able to provide an extensive service in hotel maintenance.*
- *We would be very pleased to be able to convince you of our services, this can involve general visit and presentation at the site address by arrangement.*
- *After site visit and consultation with the client, the project assignment is launched.*

Fleet includes:

1 Personnel transport  
2 PKW
